**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to say that I support open competition among internet providers. I am bothered when I hear that AT&T might once again have a monopolistic position, in part because of the principle, in part because in my experience, they are a very poor company to deal with.

Please do not let this take place, whether AT&T or any other service. It's very possible that At&T will come up with persuasive rationalizations, but please note that they are just that, rationalizations to secure their stronger position, at public expense.

Thank you for your attention to this request.
